

Proceedings of the Commissioner, Coimbatore City Municipal Corporation,
Coimbatore

Present : Thiru. Raja Gopal Sunkara I.A.S.,

Roc: No: 6269/2021/MAI

Dt. 16 .09.2021

Sub : Coimbatore Corporation - Implement a comprehensive On-Street and Off-Street Parking Management System in Coimbatore City Municipal Corporation area for over a period of 5 years on a 'Design, Build, Finance, Operate, and Transfer' model.

Ref : Announcement of qualified consultants for the pre-tender presentation session based on the notice published on 16.08.2021 .

The Coimbatore City Municipal Corporation proposes to set up a comprehensive on-street and off-street Parking Management System across all five zones under the corporation boundary in order to reclaim precious street space from unorganized and haphazard parking, and priorities streets for people.

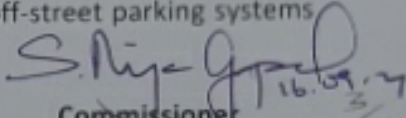

In regards to that, the Coimbatore City Municipal Corporation had invited eligible firms/ consortiums to express their interest in providing services for setting up the Parking Management System and participating in a pre-tender presentation session. Based on the applications received, the following firms/ consortiums are qualified to take part in the pre-tender presentation session on **23.09.2021 at 11.00am in online.**

List of qualified firms/ consortiums:

1. Smart Parking India Private Limited
2. Lantrasoft Private Limited
3. Building Control Solutions India Private Limited
4. Neptune Automatic Private Limited
5. WII Tronics Solutions Private Limited

Pre-tender presentation session:

- The presentation session will be held as an online event on **23rd August, 2021 from 11.00 am.** onwards.
- At least one representative from each of the qualified firms/ consortiums is advised to attend the session in online.
- Each consultant firm/ consortium will be given 20 minutes to make their presentation.
- The consultant's presentation should include the following:
 - a. Consultant profile : Team strength, qualifications, and experience.
 - b. Prior project experience: Showcase two or three relevant on-street parking management projects executed by the firm/ consortium.
 - c. Concept for Coimbatore Parking Management Project: Context-driven ideas, best practices, and potential solutions for implementing integrated on-street and off-street parking systems in Coimbatore.
